Weather Key Points

Regional Operations Center

Western Region

Saturday, October 8

- Very warm temperatures will continue across many inland areas through the weekend, with a slight cooldown forecast for the early to middle portions of the coming week
- Scattered showers and thunderstorms are expected across the southern mountains and deserts Saturday through Tuesday, also developing over the Sierra Sunday and Monday
 - Widespread precipitation is not expected, but a few storms could bring locally heavy rainfall, gusty winds, and small hail
 - A few storms are also possible across coastal areas of southern California through the weekend
- Outside of any rainfall, locally breezy winds will maintain elevated fire weather conditions for the southern mountains and foothills through next week. Critical fire weather conditions are not expected.
- Areas of dense fog are expected near the coast at times through midweek, with some very light drizzle also possible for a few locations

Precipitation Forecast

Regional Operations Center

Western Region

Saturday, October 8

Saturday

Sunday

Monday

Important Note: Forecast precipitation amounts are an average for any particular location. Thunderstorms will produce locally much higher rainfall amounts.

Precipitation (inches)

Weather Outlook (6-14 Days)

Regional Operations Center

Western Region

Saturday, October 8

6-10 Day Outlook (October 13 – October 17)

Temperatures

- Above normal temperatures are strongly favored to continue statewide

Precipitation

- Below normal precipitation is favored across all of northern California, with above normal precipitation slightly favored for southeast portions of the state

8-14 Day Outlook (October 15 – October 21)

Temperatures

- Above normal temperatures are favored once again across the state

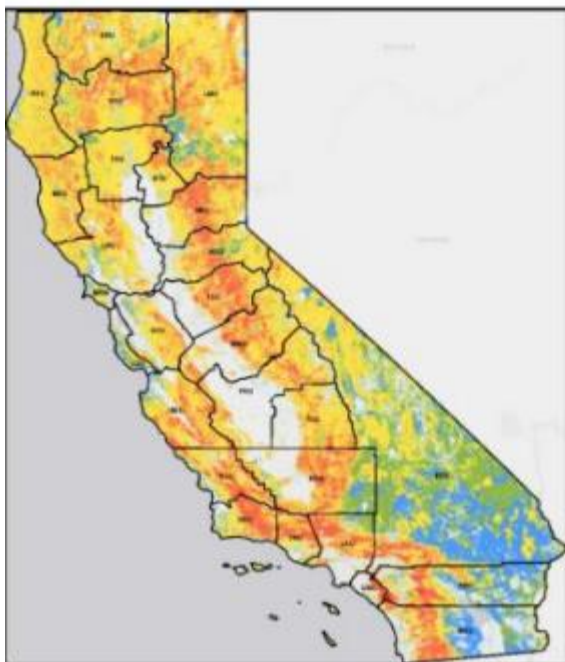

Precipitation

- Below normal precipitation is favored for much of northern California, with above normal precipitation again slightly favored across southeast California

SITUATION SUMMARY

Cal OES Activation Status

| State Operations Center | Inland Region EOC | Coastal Region EOC | Southern Region EOC |
|-------------------------|-------------------|--------------------|---------------------|
| Level 1 | Normal Operations | Normal Operations | Normal Operations |

2022 May Monkeypox Virus

On 08/01/22, the Governor proclaimed a State of Emergency to support the State's response to Monkeypox. A copy of the proclamation can be found [here](#).

The California Department of Public Health (CDPH) activated the Medical and Health Coordination Center (MHCC) at Level 3 (low) in response to the 2022 May Monkeypox Virus event on 05/24/22; and increased the activation to Level 2 on 07/18/22.

- Hours of Operation: Monday to Friday, 0800 hours to 1700 hours until further notice.

Emergency Management Assistance Compact (EMAC)

- 2458-RSA-11577, Florida - Two (2) Mass Care Coordinators from CDSS
- 2458-RSA-11580, Florida - One (1) Operations Section Chief from Cal OES; One (1) Deputy Regional Administrator
- 2458-RSA-11673, Florida - Two (1) EMAC A-team Members from Cal OES; Two (2) Senior Emergency Services Coordinators

Cal OES INLAND REGION

- Please see the attached Situation Summary for information regarding the 2022 September Wildfires Event and California Severe Weather Debris Flows.

Cal OES COASTAL REGION

Fleet Week, San Francisco County

Fleet Week will operate in the City and County of San Francisco from 10/03/22 through 10/11/22.

- Estimated to attract hundreds of thousands of tourists/residents to Embarcadero, Fisherman's Wharf and Blackpoint to observe the event
- Large air and sea activity from ship traffic to air shows
- Cal OES Coastal Region ESC in coordination with local county and city OEM

Cal OES SOUTHERN REGION

- Please see the attached Situation Summary for information regarding the 2022 September Wildfires, Severe Weather, and Debris Flows.

COVID-19 SUMMARY

Coronavirus Disease 2019 (COVID-19)

On 03/02/20 at 0700 hours, the Cal OES State Operations Center (SOC) activated at Level 1 in support of the California Department of Public Health (CDPH) Medical Health Coordination Center's (MHCC) statewide response to COVID-19. Cal OES will continue to provide resource coordination for the COVID-19 event, as well as situation status reporting and advance planning across multiple areas.

SMARTER Plan

On 02/17/22, Governor Newsom unveiled the "[California SMARTER Plan: The Next Phase of California's COVID-19 Response](#)". The plan emphasizes continued readiness, awareness and flexibility and helps ensure California can maintain its focus on communities that continue to be disproportionately impacted and stay prepared to swiftly and effectively respond to emerging COVID-19 variants and changing conditions.

CDPH Statewide Travel Advisory

- For more information: [CDC Travel Guidelines](#)

Confirmed California COVID-19 Cases - Per California Department of Public Health Tracking COVID-19 as of 10/05/22 at 1630 hours:

- 10,437,463 total confirmed cases.
 - 25,111 Delta
- 95,414 total deaths.
 - 249 Delta
- Please see the most recent "Situation Report - COVID-19" attachment for additional details.

- CAIIMT 12 assigned

Please see Situation Summary for information regarding the 2022 September Wildfires, Severe Weather, and Debris Flows.

Cal OES LAW ENFORCEMENT MISSIONS

Cal OES Law Enforcement Missions

- **2022-LAW-83218, 10/7/22, 1249 hours:** Focus Point International reported an distress beacon activation at 36.572440 by -118.281490, which plots to the John Muir Trail near MT Whitney, Sequoia National Park, Tulare County. The user reported that she had injured her ankle and would need assistance hiking off the trail. She was with a party of 6 other hikers and had food / shelter. Sequoia National Park Rangers were notified. A short time later the user advised that she felt better and was going to try to hike slowly down the trail. After hiking a little more than a mile the user cancelled the activation, but continued communicating with her brother via the device. The brother later notified Focus Point that the injured female arrived at Trail Camp and would rest before continuing. The injured subject was advised to reactivate the device if assistance was needed. On the morning of 10/8/22, I confirmed with the brother that the injured subject had made it back to the trail head. **Mission Closed**
- **2022-LAW-83090, 10/6/22, 1000 hours:** Inyo Sheriff requested reopening of a prior incident involving a missing person in the Death Valley area. The subject had been reported missing out of the San Diego area on 9/24. His vehicle was located in the Death Valley area on 09/30. The vehicle was abandoned but a note had been left indicating the subject ran out of gas and was walking out. Search efforts were unsuccessful and the active search were suspended on 10/6. On 10/7 Inyo Sheriff recontacted and requested resources for a weekend search. Inyo requested two human remains detection dogs and ground searchers. CARDA committed the HRD resources and China Lake Mountain Rescue out of Kern County committed ground searchers. **Update 10/8/22:** Inyo County has modified the request and are asking for resources on 10/8/22 only. **Mission On Going**
- **2022-LAW-83130, 10/05/22, 1200 hours:** Madera Sheriff SAR Coordinator requested cell phone forensics for a Missing Person. MP Report has been made out Washington State. Port Townsend PD. MP's vehicle was located at 37.68270, -119.08453 (Agnew Meadow Trailhead) and his reported destination was 37.66037, -119.17413 (Clyde Minaret). MP told friend his was going to leave his motel in Dunlap, CA early morning on 9/29/22 so he could park at the trailhead prior to the shuttle's arrival. MP told friends he was going to Clyde Minaret. The MP was due back in Washington on 10/2. At 1230 hours, LDO contacted the AFRCC to conduct cell phone forensics on the MP's phone. At 1437 hours, AFRCC stated T-Mobile had no cell phone records for the MP within the last 48 hours. If Madera SO wanted records beyond the past 48 hours, then they would need a subpoena or court order to retrieve those records. At 1500 hours Madera SO, requested FIRIS aircraft for tonight's search, and for tomorrow they want 10 type I searchers and a CNG Blackhawk to transport the searchers. ICP will be at Minaret Vista. All requested assets have been approved for SAR mission. **Update 10/07/22,** Search personnel deployed on 10/6 included personnel from Marin, Fresno and Mono County, A CNG helicopter assisted with transporting searchers. The subject was located deceased. He is in a remote and dangerous area, at an elevation above 11,000 feet. Today's efforts will focus on recovering the remains. Mono County personnel and a CNG helicopter are anticipated to assist. **Update 10/8/22:** Decedent recovered by CNG helicopter. **Mission Closed.**
- **2022-LAW-82651:** San Francisco Fleet Week, 20 Sonim Phones, 3 Nighthawks, and 3 Cradle Points deployed from 09/26/22 to 10/11/22, Cal OES MAR 2 Comm C are coordinating.

Cal OES MISSION TASKINGS

Cal OES Missions

- Nothing significant to report.

Cal OES

GOVERNOR'S OFFICE
OF EMERGENCY SERVICES

Mission:

We protect lives and property, build capabilities, and support our communities for a resilient California.

We achieve our mission by serving the public through effective collaboration in preparing for, protecting against, responding to, recovering from, and mitigating the impacts of all hazards and threats.
